

ELKAY®

FACT SHEET

Elkay Avado® 2-in-1 Kitchen Faucet With Filtration

Experience cleaner, better-tasting drinking water right at your kitchen sink. The convenience and peace of mind of an Elkay ezH2O® bottle filler is now available at home! The Avado 2-in-1 kitchen faucet offers standard hot and cold water, plus high-quality filtered water straight from the tap — without installing a second tap or additional equipment. Save time and money and reduce plastic waste. No need to buy single-use plastic bottles, just fill your glass, pitcher, pot or dog bowl right at the sink. Includes long-life, easy-change filter.

The Elkay Difference

Filtration Faucet: Three-function handle and sleek design offers fresh, filtered water straight from your kitchen sink.

Concealed Design: Attractive design hides spray head inside faucet for easy access when you need it.

All-in-one System: Nothing extra to buy – the filter and everything you need for installation is included.

Long-life Filter: Quick-change filter lasts approximately one year after installation, saving time and money while providing cleaner, better-tasting water.

Three-function Handle: Moves 45° backward or forward for standard hot and cold water, or 90° forward for filtered water.

Three Unique Spray Settings: Standard kitchen stream, powerful spray and filtered drinking water all in one.

Reduce Waste: Contribute to a cleaner world by eliminating single-use plastic water bottles that can end up in waterways.

Pull-down Spray Head: Provides extra reach for additional cleaning and rinsing coverage.

Filtered Water: Filter is certified to NSF standards to reduce lead and other harmful contaminants, for added assurance of healthier and great-tasting water.
