RESIDENTIAL FAUCET COLLECTIONS

Where Form and Function Flow Together

Great Features, Stylish Designs

When you choose an Elkay® faucet, you can expect durable design with features that simplify household tasks. New filtered faucets make it easier than ever to serve up healthier hydration right from your sink area.

Elkay faucets are engineered to provide the functionality and quality you need. Our faucets go through a series of tests, including mechanical testing for functionality and testing for finish durability. From the kitchen to the mudroom, you'll find the perfect faucet to complement your Elkay sink.

Healthier Hydration

Filtered water doesn't have to be complicated or expensive. Elkay's newest faucets make healthier hydration an effortless part of your routine. In the process, you'll also be helping the environment by eliminating single-use plastic water bottles that can end up in waterways.

LKAV7051FCR

2-in-1 Faucet With Filtration

Save time and money and reduce plastic waste by filling your glass, pitcher, pot or dog bowl right at the sink. Features an attractive, concealed design spray head for easy access.

LKAV71FLS

Filtered Beverage Faucet

The beverage faucet hooks into the cold water line. It offers space-saving filter installation, with the filter mounting neatly to the cabinet wall to keep sink area free of clutter and attractive.
